PROFESSIONAL SUMMARY

Public Relations and Partnerships professional with 5+ years of experience building brand authority, media presence, and strategic partnerships across the AI, blockchain, and technology sectors. Skilled at driving executive visibility through media placements, podcasts, and speaking engagements, and at forging partnerships with global events, communities, and influencers to expand brand reach. Experienced managing relationships with global stakeholders across the USA, Dubai, and international markets, with strong cross-cultural communication and stakeholder management. Holds an MBA in International Business.

PROFESSIONAL EXPERIENCE

PR & Partnership Manager

Rapid Innovation & [Ruh.ai](https://www.ruh.ai)

Idaho, USA (Remote)

August 2024 – Present

- Strengthen CEO visibility and brand authority through media interviews, podcasts, and speaking opportunities across the AI and blockchain industry.
- Build and maintain strategic partnerships with global tech events, communities, and influencers to expand brand presence and audience reach.
- Research and secure event partnerships, sponsorships, passes, and offline branding opportunities at industry conferences.
- Manage virtual events, webinars, and website event pages to drive engagement and lead generation.
- Align PR campaigns with social media strategy to amplify reach and accelerate brand growth.
- Serve as a key point of contact for partners and stakeholders, managing relationships and ensuring clear, consistent communication.
- Built an AI-powered Podcast Agent that automates podcast host discovery and outreach via the iTunes API and RSS, scaling CEO media bookings and PR outreach.

PR & Media Manager

VAP Group

Dubai, United Arab Emirates

January 2024 – August 2024

- Formed global media partnerships with international blockchain and crypto events for CryptoNewsZ and Times of Casino, including the Global Blockchain Show and Global AI Show.
- Leveraged these partnerships to strengthen brand visibility and presence across international blockchain and AI communities.
- Implemented targeted marketing and media PR campaigns during flagship events to boost recognition and engagement across each audience.
- Connected with key stakeholders and audiences to foster relationships and build long-term brand loyalty.

Community Manager

VAP Group

Dubai, United Arab Emirates

December 2022 – January 2024

- Led communication and community-acquisition strategies for the Global Blockchain Show and Global AI Show, driving a 42% increase in brand awareness (measured by website traffic and social media engagement).
- Developed and executed global community-acquisition and media outreach strategies to amplify event promotion across the Blockchain, Web3, Crypto, and AI communities.

Relationship Manager

Kanan International Pvt. Ltd.

Vadodara, Gujarat, India

October 2021 – November 2022

- Developed deep product knowledge and communicated features and benefits effectively to clients.
- Established and maintained long-term client relationships built on trust and loyalty.
- Conducted comprehensive client needs assessments, delivering tailored solutions and resolving issues promptly to ensure satisfaction and retention.

Customer Success Manager

Aster Motors

Vadodara, India
July 2017 – November 2018

- Engaged proactively with customers to understand their needs and ensure successful onboarding and adoption of Aster Motors and Nissan Motor India products and services.
- Implemented strategies to maximize customer satisfaction, retention, and loyalty through personalized support and guidance.
- Collaborated cross-functionally to address customer concerns, resolve issues, and drive continuous improvement in products and service delivery.

EDUCATION

MBA in International Business

Gujarat Technological University

Ahmedabad, India
2019 – 2021

- Specialized in international marketing strategy, market competition analysis, and cross-cultural management.
- Applied coursework through practical projects developing and implementing international marketing campaigns.
